SEWING PROJECT

These girls graduated a few years ago. Eight girls did get jobs are gaining some incomes. One organization admitted some of them In Sofala Province to do sewing activities and receiving a salary on a monthly basis, The local Government also created a sewing project for some of them.

We thank God for that.

The volunteers meeting together and praying to the Lord because of each situation that occurs day by day, They are planning and praying to the Lord Jesus for more provision, Much love from us,

COVID-19 materials: electronic thermometers & hand cleansing given to Volunteers at each Care Centre.
