

RUBATANO LATEST NEWS NOVEMBER, INTO DEC, 2021

Greetings to everyone, and much thanks from us !

Home Based Care activity & visits to the HIV/Aids patients:

She lives under sticks & plastic !

The Volunteers are busy cultivating
and getting ready for the rains:

Only by watering
did we grow these
onions
& tomatoes for
the orphans:

BUT this year has been **a very terrible year** in the fields, and the maize plants (a staple food) are very poor and very poor, due to **recent very low rainfall**:

Maize is likely to be in very scarce supply this coming year, due to the forecaste of **yet another bad harvest !**

....so therefore:

Food Security is still given to the very broken Orphans
and Vulnerable Children:

Another very much needed well completed & handed over:

May the Lord Jesus Christ richly bless and protect the Hearts and the Hands that have provided for the **community of Amatongas**. A new well was handed over, the celebration went very well, lots of Joy took place, the water of the gospel well was delivered to people.

We thank you so much for standing together with us, Amen and Amen.

New Chairs for the new Preschools:

Coordinators meetings at Gondola centre, planning how the year will end, & plans for the Orphans and Volunteers' Christmas:

The International Day of Against AIDS on 1st of December.

we had an area-wide gathering in town to encourage one another in this work:
