

Some Rubatano Volunteers being taken by Carlos (centre) to be trained in the Hospitals, then they help there Monday to Friday, in 2 Hospitals and 4 Health Centres :

Vegetable gardens, where the produce is used to supplement the diets of the poor & needy, also the HIV Widows & Orphans:

An HIV/Aids widow is given some cabbages

Our field of onions. Carlos in centre, red jacket.

Pre-School children having a games time, with one of our 3 Pre-Schools in the background :

Due an especially cold winter, 96 of our chicks died !
(chicken meat is given to HIV/Aids Orphans & Widows)

Dressmaking students from our 3 Care Centres met to exchange ideas & show each other their dresses :

Carlos spoke on local radio about real marriage, and the dangers of premature marriages (which often occur) :

Carlos speaking on Local Radio about the importance of real marriage

We send our Christian greetings to you all,

Carlos Giua and the Rubatano Team of Volunteers.
